

CHRISTOPH ROTHE

Curriculum Vitae, January 2012

Address: Toulouse School of Economics
Manufacture des Tabacs, Office MF 404
21 Allée de Brienne
F-31000 Toulouse, France

Phone: +33 (0) 5 61 12 86 78

Email: christoph.rothe@tse-fr

Employment

2009 – present: Assistant Professor, Toulouse School of Economics
2006 – 2009: Research Assistant, Department of Economics, University of Mannheim

Affiliations

2011 – present: Research Fellow, Institute for the Study of Labor (IZA)
2011 – present: Research Fellow, Institut d'Économie Industrielle (IDEI)

Education

2005 – 2009: Ph.D. in Economics, University of Mannheim, Germany
2008: Affiliate Research Student, University College London, UK
2000 – 2005: Diplom in Statistics, University of Dortmund, Germany
2003: Visiting Student, University of Auckland, New Zealand

Publications in Refereed Journals

“Partial Distributional Policy Effects,” forthcoming in *Econometrica*.

“Identification of Unconditional Partial Effects in Nonseparable Models,” *Economics Letters* **109** (2010), 171–174.

“Nonparametric Estimation of Distributional Policy Effects,” *Journal of Econometrics* **155** (2010), 56–70.

“Semiparametric Estimation of Binary Response Models with Endogenous Regressors,” *Journal of Econometrics* **153** (2009), 51–64.

“Phillips-Perron-type Unit Root Tests in the Nonlinear ESTAR framework,” with P. Sibbertsen, *Allgemeines Statistisches Archiv* **90** (2006), 439–456.

Working Papers / Work In Progress

“Nonparametric Regression with Nonparametrically Generated Covariates,” with Enno Mammen and Melanie Schienle, TSE Working Paper (2011). Revised and resubmitted.

“Semiparametric Estimation with Generated Covariates,” with Enno Mammen and Melanie Schienle, TSE Working Paper (2011), submitted.

“Misspecification Testing in a Class of Conditional Distributional Models,” with Dominik Wied, TSE Working Paper (2012). Revised and resubmitted.

“Higher-Order Optimal Estimation of Average Treatment Effects under Unconfoundedness,” with Sergio Firpo. In progress.

“Identification and Inference in Copula Models with Discrete Data.” In progress.

“Decomposing Composition Effects.” In progress.

“Robust Inference in Treatment Effect and Missing Data Models under Weak Identification.” In progress.

Recent Seminar and Conferenc Presentations

- 2012: Econometric Society North American Winter Meeting, Chicago, University College London, First Conference of the International Society for Nonparametric Statistics, Chalkidiki (scheduled)
- 2011: Oxford, Mannheim, Econometric Society European Meeting, Oslo
- 2010: Humboldt-Universität Berlin, Einaudi Institute Rome, HSG St. Gallen, Columbia, Georgetown, Rochester, 21st EC2 Conference, Toulouse, 2nd Annual French Econometrics Conference, Paris, Annual Meeting of the German Statistical Society, Nuremberg; Advancing Applied Microeconomics, Beijing; SOLE/EALE International Conference, London
- 2009: Toulouse School of Economics, University of British Columbia, University of New South Wales, UC Louvain, Warwick, Econometric Society European Meeting, Barcelona; Econometric Society North American Summer Meeting, Boston; Workshop on Non- and Semiparametric Methods in Econometrics, BIRS Banff
- 2008: Mannheim, University College London, Econometric Society European Winter Meeting, Cambridge; Econometric Society European Meeting, Milan; Symposium on Econometric Theory and Applications, Seoul; Annual Meeting of the German Statistical Society, Berlin; 8th German Open Conference on Probability and Statistics, Aachen; ENTER Jamboree, Madrid
- 2007: Mannheim, Kaiserslautern (Mathematics Department), Econometric Society European Meeting, Budapest; Annual Meeting of the German Statistical Society, Bielefeld; Workshop on Non- and Semiparametric Methods in Econometrics, MFO Oberwolfach

Professional Activities

- 2009 – present: Co-organizer of the Econometrics Seminar, Toulouse School of Economics.
- 2011: Junior recruiting committee, Toulouse School of Economics.
- 2010: Organizer of the Young Researchers Minisymposium on Microeconometrics, Annual Meeting of the German Statistical Society, Nuremberg.

Refereeing

Annals of Statistics, Econometric Reviews, Econometric Theory, Econometrica, Empirical Economics, Journal of Applied Econometrics, Journal of Business and Economic Statistics, Journal of Development Economics, Journal of Econometrics, Journal of Economic Inequality, Labour, Review of Economic Studies, Quantitative Economics.

Grants, Scholarships, and Awards

- 2009 – 2011: Toulouse School of Economics Research Grant.
- 2005 – 2008: German Research Foundation (DFG) Doctoral Scholarship.
- 2005: University of Dortmund Award for best Diplom thesis in Statistics.
- 2003: German Academic Exchange Service (DAAD) Scholarship

Teaching Experience

Advanced Microeconometrics (TSE, Ph.D., Instructor, Spring 2010 & Spring 2011)
